**Registrations for this course CLOSE seven (7) days prior to the course date (i.e. 27th May 2022).**

Participants at the course will receive the following items;

- Level 4 Referee Course materials
- Laws of the Game Book
- Professional Referee Whistle
- Assistant Referee Flag
- First year referee green shirt
- Black Umbro on-field Shirt\*
- Black Umbro on-field Shorts
- Black Umbro on-field Socks
- Set of Red and Yellow Cards
- Match Record Book and Inserts
- Full Match Official Registration with FFNC (includes the NNSWF Match Official Registration Fee)
- FFNC Match Officials Polo Shirt (to wear to and from games)

For those who will be required to pay the \$150 course fee (i.e. those whose place of residence was not directly impacted by the flooding earlier this year OR those under 18 years of age), these items are included as part of the Northern NSW Football (NNSWF) Referee Starter package. The starter package eases the financial burden to become a match official and means that a new referee saves over \$100 on the normal cost of these items/inclusions. FFNC does not retain any amount of the \$150, with that amount paid to NNSWF.

For those who are required to pay the NNSWF course fee (based on eligibility criteria disclosed relevant to individuals whose residence was not directly impacted by either flood earlier this year), this amount will be invoiced by FFNC (and subsequently paid to NNSWF), with payment due within seven (7) days of the invoice being issued.

Please email Luke Mackney at [referees@ffnc.net.au](mailto:referees@ffnc.net.au) if there are any questions or any issues.
