## Committee's Report

31 October 2022

The committee members submit the financial report of the Association for the financial year ended 31 October 2022.

### 1. General information

#### Committee members

The names of committee members throughout the year and at the date of this report are:

Chelsea Coleman

Bill Coulter

Glen Gibbs

Glyn Harding

Nigel Hayes

Helen McNeil

Paul Parry

Peter Warren

### 2. Operating results and review of operations for the year

#### Operating result

The profit or loss of the Association for the financial year after providing for income tax amounted to \$ (52,387)(2021: \$ 49,216).

#### Review of administration and governance

Northern NSW Football Limited (i.e. State Federation) adopted a mechanism called, 'NNSWF Future of Football Review' in response to the release of a document from Football Federation Australia (now known as Football Australia) in October 2020. That document, called the 'XI Principles for the future of Australian Football' forms the foundations on which Northern NSW Football Limited has subsequently proceeded (since at least January 2021) relevant to a review of administration and governance within its geographical footprint.

A disclosure is made that each member zone (including Football Far North Coast, that is an affiliated member to Northern NSW Football Limited), was invited to participate in a range of consultation since January 2021. Northern NSW Football Limited engaged Sports Business Partners Advisory (SBP) to facilitate a process of consultation with member zones and various stakeholders, including individual football clubs, leading to a report being constructed by SBP containing key recommendations that were adopted by the Northern NSW Football Limited Board of Directors in August 2022.

The Football Far North Coast (FFNC) Board of Directors subsequently considered the recommendations contained within the SBP Report and a proposal submitted by Northern NSW Football Limited, that sought to create a 'pilot' effective from 2023, in a form that would transition authority for football activity within the Football Far North Coast zone (in addition to North Coast Football and Northern Inland Football), to Northern NSW Football Limited. This proposal was unanimously rejected by the FFNC Board of Directors.

A collective of zones (being a majority), has initiated a process underpinned by an objection to the purpose and motives of Northern NSW Football Limited and at the time of preparing the FFNC audit, Northern NSW Football Limited had scheduled an Extraordinary General Meeting to proceed on Friday 9<sup>th</sup> December 2022. The consequences of such action are disclosed as a potential material risk to football activity in regional zones.

## Football Far North Coast Incorporated

ABN 53 447 921 029

### Committee's Report

31 October 2022

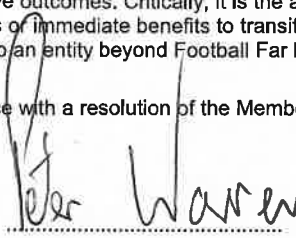

#### 2. Operating results and review of operations for the year

##### Review of administration and governance

Football Far North Coast Incorporated is an Independent Entity that is not currently obliged to adopt or to endorse decisions made by Northern NSW Football Limited. It is the unanimous assessment of the Football Far North Coast Board of Directors, that football activity within this region can continue to be delivered in a manner that is consistent with historical positive outcomes. Critically, it is the assessment of the Football Far North Coast Board of Directors, that there are no obvious or immediate benefits to transition the authority for administration or governance to Northern NSW Football Limited or to an entity beyond Football Far North Coast Incorporated.

Signed in accordance with a resolution of the Members of the Committee:

Committee member: .....

Committee member: .....

Dated 14/12/2022

## Notes to the Financial Statements

For the Year Ended 31 October 2022

The financial statements cover Football Far North Coast Incorporated as an individual entity. Football Far North Coast Incorporated is a not-for-profit Association incorporated in New South Wales under the *Associations Incorporation Act (NSW) 2009 and Associations Incorporation Regulation (NSW) 2010* ('the Act').

Comparatives are consistent with prior years, unless otherwise stated.

### 1 Basis of Preparation

The Special Purpose financial statements have been prepared in accordance with the recognition and measurement requirements of the Australian Accounting Standards and Accounting Interpretations. The Association has taken advantage of the relief in Class Order 11/01 *Financial Reporting Requirements* and has prepared financial statements with simplified disclosures.

The financial statements have been prepared on an accruals basis and are based on historical costs modified, where applicable, by the measurement at fair value of selected non-current assets, financial assets and financial liabilities.

Significant accounting policies adopted in the preparation of these financial statements are presented below and are consistent with prior reporting periods unless otherwise stated.

### 2 Summary of Significant Accounting Policies

#### (a) Income Tax

The Association is exempt from income tax under Division 50 of the *Income Tax Assessment Act 1997*.

#### (b) Revenue and other income

##### Revenue from contracts with customers

The core principle of AASB 15 is that revenue is recognised on a basis that reflects the transfer of promised goods or services to customers at an amount that reflects the consideration the Association expects to receive in exchange for those goods or services. Revenue is recognised by applying a five-step model as follows:

1. Identify the contract with the customer
2. Identify the performance obligations
3. Determine the transaction price
4. Allocate the transaction price to the performance obligations
5. Recognise revenue as and when control of the performance obligations is transferred

Generally the timing of the payment for sale of goods and rendering of services corresponds closely to the timing of satisfaction of the performance obligations, however where there is a difference, it will result in the recognition of a receivable, contract asset or contract liability.

None of the revenue streams of the Association have any significant financing terms as there is less than 12 months between receipt of funds and satisfaction of performance obligations.

## **Notes to the Financial Statements**

### **For the Year Ended 31 October 2022**

#### **2 Summary of Significant Accounting Policies**

##### **(b) Revenue and other income**

###### **Specific revenue streams**

The revenue recognition policies for the principal revenue streams of the Association are:

###### **Player participation levies**

Revenue from Player Participation Levies is recognised over the term of the playing season, with any unearned portion being deferred and included in liabilities.

Player Participation Levies are collected by the member clubs from players and paid to the Association. The Association also receives levies on behalf of Northern New South Wales Football (NNSWF) and these levies are not recognised as revenue as the Association is acting as an agent.

###### **Match official income**

Revenue from match official fees is recognised at a point in time when the relevant match has been played. Any unearned portion is deferred and included in current liabilities

###### **Sponsorship**

Revenue is recognised as performance obligations of the sponsorship agreements are met. Any unearned portion is deferred and included in current liabilities.

###### **Interest revenue**

Interest is recognised using the effective interest method.

###### **Other income**

Other income is recognised on an accruals basis when the Association is entitled to it.

##### **(c) Goods and services tax (GST)**

Revenue, expenses and assets are recognised net of the amount of goods and services tax (GST), except where the amount of GST incurred is not recoverable from the Australian Taxation Office (ATO).

Receivables and payable are stated inclusive of GST.

##### **(d) Inventories**

Inventories held for sale are measured at the lower of cost and net realisable value.

##### **(e) Property, plant and equipment**

Each class of property, plant and equipment is carried at cost or fair value less, where applicable, any accumulated depreciation and impairment.

## **Notes to the Financial Statements**

### **For the Year Ended 31 October 2022**

#### **2 Summary of Significant Accounting Policies**

##### **(e) Property, plant and equipment**

Items of property, plant and equipment acquired for nil or nominal consideration have been recorded at the acquisition date fair value.

##### **Plant and equipment**

Plant and equipment are measured using the cost model.

##### **Depreciation**

Property, plant and equipment, excluding freehold land, is depreciated on a straight-line basis over the assets useful life to the Association, commencing when the asset is ready for use.

At the end of each annual reporting period, the depreciation method, useful life and residual value of each asset is reviewed. Any revisions are accounted for prospectively as a change in estimate.

##### **(f) Financial instruments**

Financial instruments are recognised initially on the date that the Association becomes party to the contractual provisions of the instrument.

On initial recognition, all financial instruments are measured at fair value plus transaction costs (except for instruments measured at fair value through profit or loss where transaction costs are expensed as incurred).

##### **Financial assets**

All recognised financial assets are subsequently measured in their entirety at either amortised cost or fair value, depending on the classification of the financial assets.

##### *Classification*

On initial recognition, the Association classifies its financial assets into the following categories, those measured at:

- amortised cost
- fair value through profit or loss - FVTPL

Financial assets are not reclassified subsequent to their initial recognition unless the Association changes its business model for managing financial assets.

##### *Amortised cost*

Assets measured at amortised cost are financial assets where:

- the business model is to hold assets to collect contractual cash flows; and
- the contractual terms give rise on specified dates to cash flows are solely payments of principal and

## **Notes to the Financial Statements**

### **For the Year Ended 31 October 2022**

## **2 Summary of Significant Accounting Policies**

### **(f) Financial instruments**

#### **Financial assets**

interest on the principal amount outstanding.

The Association's financial assets measured at amortised cost comprise trade and other receivables and cash and cash equivalents in the statement of financial position.

Subsequent to initial recognition, these assets are carried at amortised cost using the effective interest rate method less provision for impairment.

Interest income, foreign exchange gains or losses and impairment are recognised in profit or loss. Gain or loss on derecognition is recognised in profit or loss.

Financial assets through profit or loss

All financial assets not classified as measured at amortised cost or fair value through other comprehensive income as described above are measured at FVTPL.

Net gains or losses, including any interest or dividend income are recognised in profit or loss (refer to hedging accounting policy for derivatives designated as hedging instruments.)

#### *Impairment of financial assets*

Impairment of financial assets is recognised on an expected credit loss (ECL) basis for the following assets:

- financial assets measured at amortised cost
- debt investments measured at FVOCI

When determining whether the credit risk of a financial assets has increased significant since initial recognition and when estimating ECL, the Association considers reasonable and supportable information that is relevant and available without undue cost or effort. This includes both quantitative and qualitative information and analysis based on the Association's historical experience and informed credit assessment and including forward looking information.

The Association uses the presumption that an asset which is more than 30 days past due has seen a significant increase in credit risk.

The Association uses the presumption that a financial asset is in default when:

- the other party is unlikely to pay its credit obligations to the Association in full, without recourse to the Association to actions such as realising security (if any is held); or
- the financial assets is more than 90 days past due.

Credit losses are measured as the present value of the difference between the cash flows due to the Association in accordance with the contract and the cash flows expected to be received. This is applied using a probability weighted approach.

## **Notes to the Financial Statements**

### **For the Year Ended 31 October 2022**

## **2 Summary of Significant Accounting Policies**

### **(f) Financial instruments**

#### **Financial assets**

##### *Trade receivables*

Impairment of trade receivables have been determined using the simplified approach in AASB 9 which uses an estimation of lifetime expected credit losses. The Association has determined the probability of non-payment of the receivable and multiplied this by the amount of the expected loss arising from default.

The amount of the impairment is recorded in a separate allowance account with the loss being recognised in finance expense. Once the receivable is determined to be uncollectable then the gross carrying amount is written off against the associated allowance.

Where the Association renegotiates the terms of trade receivables due from certain customers, the new expected cash flows are discounted at the original effective interest rate and any resulting difference to the carrying value is recognised in profit or loss.

##### *Other financial assets measured at amortised cost*

Impairment of other financial assets measured at amortised cost are determined using the expected credit loss model in AASB 9. On initial recognition of the asset, an estimate of the expected credit losses for the next 12 months is recognised. Where the asset has experienced significant increase in credit risk then the lifetime losses are estimated and recognised.

#### **Financial liabilities**

The Association measures all financial liabilities initially at fair value less transaction costs, subsequently financial liabilities are measured at amortised cost using the effective interest rate method.

The financial liabilities of the Association comprise trade payables, bank and other loans and finance lease liabilities.

### **(g) Cash and cash equivalents**

Cash and cash equivalents comprises cash on hand, demand deposits and short-term investments which are readily convertible to known amounts of cash and which are subject to an insignificant risk of change in value.

### **(h) Leases**

At the lease commencement, the Association recognises a right-of-use asset and associated lease liability for the lease term. The lease term includes extension periods where the Association believes it is reasonably certain that the option will be exercised.

The right-of-use asset is measured using the cost model where cost on initial recognition comprises of the lease liability, initial direct costs, prepaid lease payments, estimated cost of removal and restoration less any lease incentives received.

The right-of-use asset is depreciated over the lease term on a straight line basis and assessed for impairment in accordance with the impairment of assets accounting policy.

## **Notes to the Financial Statements**

### **For the Year Ended 31 October 2022**

## **2 Summary of Significant Accounting Policies**

### **(h) Leases**

The lease liability is initially measured at the present value of the remaining lease payments at the commencement of the lease. The discount rate is the rate implicit in the lease, however where this cannot be readily determined then the Association's incremental borrowing rate is used.

Subsequent to initial recognition, the lease liability is measured at amortised cost using the effective interest rate method. The lease liability is remeasured whether there is a lease modification, change in estimate of the lease term or index upon which the lease payments are based (e.g. CPI) or a change in the Association's assessment of lease term.

Where the lease liability is remeasured, the right-of-use asset is adjusted to reflect the remeasurement or is recorded in profit or loss if the carrying amount of the right-of-use asset has been reduced to zero.

### **(i) Employee benefits**

Provision is made for the Association's liability for employee benefits arising from services rendered by employees to the end of the reporting period. Employee benefits that are expected to be wholly settled within one year have been measured at the amounts expected to be paid when the liability is settled.

Employee benefits expected to be settled more than one year after the end of the reporting period have been measured at the present value of the estimated future cash outflows to be made for those benefits. In determining the liability, consideration is given to employee wage increases and the probability that the employee may satisfy vesting requirements. Cashflows are discounted using market yields on high quality corporate bond rates, with terms to maturity that match the expected timing of cashflows. Changes in the measurement of the liability are recognised in profit or loss.

## **3 Critical Accounting Estimates and Judgments**

The directors make estimates and judgements during the preparation of these financial statements regarding assumptions about current and future events affecting transactions and balances.

These estimates and judgements are based on the best information available at the time of preparing the financial statements, however as additional information is known then the actual results may differ from the estimates.

The significant estimates and judgements made have been described below.

### **COVID-19**

As a result of the spread of the COVID-19 pandemic, economic uncertainties have arisen which are likely to have a financial impact on the Association. The Government mandated lockdowns have caused the Association to operate at a limited capacity. This has resulted in decreases in revenue streams including player participation levies. There are additional financial impacts expected as a result of the spread of COVID-19 but these cannot be accurately measured at this current point in time.

### Statement by Members of the Committee

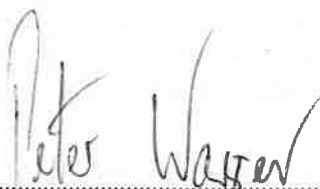

The committee has determined that the Association is not a reporting entity and that this special purpose financial report should be prepared in accordance with the accounting policies outlined in Note 2 to the financial statements.

In the opinion of the committee the financial report as set out on pages 1 to 14:

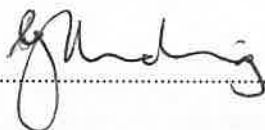

1. Presents fairly the financial position of Football Far North Coast Incorporated as at 31 October 2022 and its performance for the year ended on that date.
2. At the date of this statement, there are reasonable grounds to believe that Football Far North Coast Incorporated will be able to pay its debts as and when they fall due.

This statement is made in accordance with a resolution of the committee and is signed for and on behalf of the committee by:

Committee member.....

Committee member .....

Dated

14 - 12 - 22 .

*Celebrating 100 years!*

## INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF FOOTBALL FAR NORTH COAST INCORPORATED

### Opinion

We have audited the financial report of Football Far North Coast Incorporated (the Entity), which comprises the statement of financial position as at 31 October 2022, the statement of profit or loss and other comprehensive income, the statement of cash flows and the statement of changes in equity for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and managements' assertion statement.

In our opinion, the accompanying financial report presents fairly, in all material respects, the financial position of the Entity as at 31 October 2022, and its financial performance for the year then ended in accordance with the financial reporting requirements of the *Associations Incorporation Act 2009* (NSW).

### Basis for Opinion

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Report* section of our report. We are independent of the Entity in accordance with the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants* (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### Emphasis of Matter – Basis of Accounting

We draw attention to Note 1 to the financial report, which describes the basis of accounting. The financial report has been prepared to assist Football Far North Coast Incorporated to meet the requirements of the applicable legislation. As a result, the financial report may not be suitable for another purpose. Our opinion is not modified in respect of this matter.

## INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF FOOTBALL FAR NORTH COAST INCORPORATED

### Responsibilities of Management and Those Charged with Governance for the Financial Report

Management is responsible for the preparation and fair presentation of the financial report in accordance with the financial reporting requirements of the *Associations Incorporation Act 2009 (NSW)* and for such internal control as management determines is necessary to enable the preparation and fair presentation of a financial report that is free from material misstatement, whether due to fraud or error.

In preparing the financial report, management is responsible for assessing the Entity's ability to continue as a going concern, disclosing, as applicable, matters relating to going concern and using the going concern basis of accounting unless management either intends to liquidate the Entity or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Entity's financial reporting process.

### Auditor's Responsibilities for the Audit of the Financial Report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

A further description of our responsibilities for the audit of the financial report is located at the Auditing and Assurance Standards Board website at:

<http://www.auasb.gov.au/Home.aspx>. This description forms part of our auditor's report.
