

Any GAME type activity that involves players from more than one club, can only proceed if it is sanctioned by FFNC (and by the relevant zone where a club is affiliated outside FFNC).

There is no indemnity given by simply calling a friendly/trial a "social game" or any alternative label for the purposes of the terms of how an activity is sanctioned.

- 1.1 A written application for each friendly/trial must be submitted by using the completing the relevant JotForm.
- 1.2 FFNC must receive such application "not less" than 7 working days from the proposed fixture(s)\*\*.  
(\*\*Friendlies/Trials hosted by a club that is NOT affiliated with FFNC requires at least 10 days notice).
- 1.3 Friendlies/trials between two FFNC teams require an application to be submitted from BOTH clubs.
- 1.4 FFNC will facilitate applications to NNSWF where applicable, upon receipt of a Friendly/Trial Application form from a FFNC member club.
- 1.5 Fixtures are only considered as being sanctioned when written approval has been issued by FFNC.
