

# LISMORE RICHMOND ROVERS FC PROPOSED PLAYING STRIPS 2024

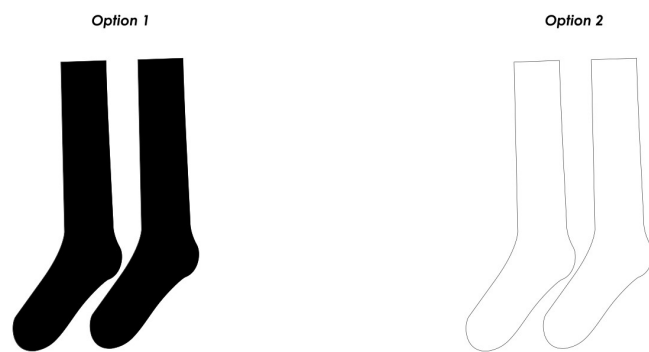

## PLAYING STRIPS - SENIORS

### Alternate Strip

## CLUB SOCKS - SENIORS

## CONSISTENT WITH LAW 4 (IFAB LAWS OF THE GAME)

The HOME team is required to wear an alternate playing strip if there is insufficient distinction between those ordinarily worn by each team. In practical terms at grassroots level, this includes the colour of the SHIRT and SOCKS worn by opposition players being distinctive.

Each goalie is required to wear a playing strip (applicable to every match) that is distinct from both their own team-mates and also from the opposition outfield players.
