- 5.3. Notwithstanding the reference to age-eligibility, this is overwhelmingly relevant to junior football in the context outlined in Clause 5. - 5.4. Any approval for a player to participate in a competition below their eligible age or where a player is graded in a squad that is above their eligible age, creates conditions that will ordinarily prevent participation in their normal age eligible competition, or any higher age competition or MiniRoos Pool.

The purpose of providing scope for teams to use borrowed players, is for reasons including (1) Supporting team numbers in response to injury, illness or unavailability (2) Providing more opportunities for players to participate in a higher competition and (3) Creating a mechanism to review player grading in the early stages of a season.
 - 8.2.1. The notation 'BP' must be written against the name of any player who participates in a higher competition.

The Zone has the authority to introduce, amend or delete any Regulation or Procedure as and when it sees fit, and the same shall be binding on all members and participants within its jurisdiction.

- 8.2.5. Any senior player who is listed on a match sheet in the same higher league more than six times during a pointscore competition will be re-registered to the higher league team;
- 8.2.6. A re-grading as a consequence of the 7-up Rule will mean that a player is immediately ineligible to also participate in any lower league/grade in which they had previously been eligible;
- 8.2.7. The number of matches included in the 7-Up Rule, is determined within the pointscore season and does not include Finals Series fixtures.
- 8.2.8. The impact of the ‘7-up rule’ is otherwise applicable at the sole discretion of FFNC, noting that the ‘same’ players are not used to participate as a borrowed player in multiple leagues on multiple occasions, if it is considered to take unreasonable advantage of the ‘spirit of using borrowed players’;
- 8.2.9. The 7-Up Rule does not apply to MiniRoos players, however the participation of a MiniRoos player (e.g. 10 year old participating in a 12’s team) should be considered carefully and should not be a common option. MiniRoos players should ordinarily participate in a MiniRoos team that they are age-eligible
- 8.3. Junior Competitions (Mixed gender and girls)
- 8.3.1. A junior player can participate in a junior competition that is “up to a maximum of TWO (2) years” above their normal eligible age (**)

- 8.4.5. The match sheet must be notated with “Borrowed” or “BP”, or by notating the players registered/listed competition against their name for the relevant matches.

9. COMPETITION SCOPE/FORMAT

- 9.1. FFNC grading policy (first endorsed in 2007), makes reference to an objective that considers factors such as nominations received, historical format of competitions and written submissions from clubs;
- 9.2. Clubs shall be invited to nominate teams for each proposed competition not later than the date nominated by FFNC each season.
- 9.3. The grading of teams by FFNC will be determined following an assessment of:
 - 9.3.1. Team nominations

 - 9.3.3. Written submissions/evidence from member clubs and
 - 9.3.4. Any matters determined as being relevant by FFNC.
- 9.4. Each year, FFNC will consider:

 - 9.5.3. A minimum of FOUR (4) teams will be considered in any one senior league.
 - 9.5.4. The objective is for each league to consist of TEN (10) teams (or NINE (9) teams plus a BYE)
 - 9.5.5. FFNC will consider reasonable formats to deliver logical competitions within constraints that include a finite period of weeks each season;

9.5.6. The ranking of leagues will apply as follows (*subject to team nominations received);

- 9.5.6.1. Men's leagues (by descending ranking)
- 9.5.6.2. Premier

9.7. Junior Competitions (Mixed gender and girls)

9.7.1. A maximum of EIGHT (8) teams is the preferred number in each individual JUNIOR competition, with a maximum of 14 rounds (14 games per team) to ordinarily apply in the pointscore competition.

9.7.3. A maximum of 14 pointscore games for each team in each junior competition will ordinarily apply regardless of how many teams exist in any given competition.

9.7.4. FFNC will consider reasonable formats to deliver logical competitions within constraints that include a finite period of weeks each season, recognising the impact of school holidays, Easter, June long-weekend and various matters aligned to school activities each year.

9.8. Promotion and Relegation

9.8.1. Promotion and relegation shall apply between senior leagues at the discretion of FFNC.

9.8.2. The general principle is that clubs that have a team that finish in the “top 2” of a league will ordinarily be promoted to the next relative highest league in the following season. Promotion (i.e. grading upwards) is based on a broad assessment of teams from each respective club. Grading of players is fundamentally a club responsibility, noting that the grading of teams can create a “shuffle effect”. For example, a club team promoted may have the impact of keeping a second club team in a higher league than which it would appear suited. A club is not permitted to have more than one team in any one senior league.

9.8.3. Conversely, the general principle is that clubs that have a team that finish in the “bottom 2” of a league will ordinarily be relegated to the next relative lowest league in the following season.

34. MERCY RULE

34.1. FFNC introduced a 'pilot' component within its competition regulations in 2024, called a '**Mercy Rule**'. This is retained in 2025.

This means that the maximum score recorded in any competition fixture in 2025 (i.e. ages 12 to seniors), will be a differential of TEN (10) goals.

The basis of this regulation, is to demonstrate that grassroots football, can be about winning matches, but should not be about humiliating opposition players and teams. The concept of a mercy rule might be a new concept for our code, but it exists in various sports, including AFL, Baseball, Basketball, Rugby League and Netball.

If a score differential of TEN (10) is reached, the match can continue (as a friendly), if both teams wish to do so. Regardless of what occurs after the score differential threshold of ten has been reached, FFNC will only recognise the score as it was at that point of the match. We make it known that any yellow or red cards issued (at any time during the normal allocated duration of the match), will remain valid and a team cannot 'forfeit' a match to circumvent the mercy rule being imposed.

35.2.2. (*) Age-eligible includes participation in a MiniRoos team/pool that is up to a maximum of TWO (2) years above the child's eligible age.

35.2.3. This means that a player who turns 8 in the current calendar year can participate in Grade 8, 9 or 10 (unless the child has been given an exemption to participate in Grade 7 as an over-age player. In that case, the child is limited to participating in Grade 7)

35.2.4. If an exemption is granted for a junior player to participate in a MiniRoos as an OVER-AGE player, the player is prohibited from subsequently also participating in any older age junior competition in the same season.

- 41.5. Jewellery (regardless of reason for wearing or claims of being unable to remove such an item) CANNOT be worn during play;
- 41.6. A player CANNOT tape jewellery under any circumstances in an attempt to gain a concession to removing such jewellery;
- 41.7. A referee is authorised to prevent a player from participating if instructions given about a player's equipment are not adequately responded to by any such participant;

- 41.18. The Laws of the Game apply even at Community Football level and Law 4 is perhaps the easiest component to comply with. We invite clubs to share this information with players, coaches and parents, so that the inevitable disputes through lack of understanding of the requirements that apply are no longer part of a game day experience for anyone.
