

2021 Tursa Employment & Training Callan McMillan Memorial Shield Regulations and Procedures

OVERVIEW

- Each competition will be known as the Callan McMillan Memorial Shield (also referred to as CM or CM Memorial Shield Competition).
- The competitions are specific female gender competitions that do not allow male players to participate. Note that the ANZAC Day Cup competitions exist as a gender-based competition for male players.
- FFNC will determine the number of teams and subsequent format of each competition that will exist. This will typically be in response to the number of team nominations submitted for each competition, but also consistent with the logistics of constructing and running each competition.
- The Callan McMillan Memorial Shield competitions will exist as follows (*) (*subject to team nominations and any relevant factors)
 1. 'A' Division
 2. 'B' Division
 3. Girls Grade 16
- Players who did not participate in a FFNC winter pointscore competition in 2020 are eligible to be nominated in any open age squad/competition unless FFNC deems that there is a legitimate reason that they should be considered as being ineligible for any specific competition/grading.
- With the exception of the Women's Premier League, a competition will not exist if there are less than four (4) eligible teams.

FORMAT

- The competitions will ordinarily be played in a Pool format (unless the number of nominations mean that a round robin competition should be played).
- Pools will fundamentally be based on the final points standing from the 2020 FFNC Winter Pointscore Competition, ranking teams from highest leagues and pointscore standings down to lowest leagues and pointscore standings across all relevant competitions.
- FFNC will give consideration to relevant geographical issues where necessary when constructing pools.
- Pools consisting of “3 teams” will play at least one “cross-pool” game.

FIXTURES and PLAYING CONDITIONS

- Registered participants for respective teams in any one match are permitted to occupy the technical area. Match Officials for each respective fixture and FFNC representatives (on behalf of the competition administrator) are also permitted to occupy the technical area. Other persons are prohibited to occupy the technical area.
- A maximum of 16 players per match shall apply (including Men’s Premier League), with unlimited interchange of those players.
- This competition is NOT a guaranteed “home and away” format, however the team that is named first in the published draw is considered the “home” team for such purposes.
- Fixtures are allocated by FFNC and may only be re-scheduled with the specific authority of the zone.
- Extra time and kicks from the penalty mark will only apply in Semi-Finals or Finals fixtures (when required to determine the winner of the match).
- Time “added on” is NOT applicable in POOL fixtures, unless FFNC authorises a response to exceptional circumstances (e.g. weather conditions or serious injury).

SEMI-FINALS and FINALS

- Semi-Finals will only apply where there are more than two pools.
- The team with the most points in each pool at the end of all pool games will progress to the Semi-Finals (except for competitions that consist of only two pools).
- For competitions with only two pools, the team with the most points in each pool at the end of all pool games will progress to the Final.
- If two or more teams are on equal points, the better goal difference will decide the higher placing.
- In the event of those teams on equal points also finishing equal on goal difference, the most goals “for” will decide the higher placing.
- In the event of those teams on equal points also having the same number of goals “for”, the team that has accumulated the least total number of caution/send-off points (1 point for each yellow card issued) and 2 points for each match sanction imposed for red cards) will decide the higher placing.

2021 Tursa Employment & Training Callan McMillan Memorial Shield Regulations and Procedures

- In the event of those teams on equal points not being able to be separated using the above criteria, the higher placing will be decided by entering those teams' names into a hat and then randomly drawing a name out of the hat. The first name drawn out of the hat will be determined the highest placed team.
- In the event of there being four pools in a competition, Semi-finals will be: Winner Pool A v Winner Pool C and Winner B v Winner Pool D.
- In the event of there being three pools in a division, the fourth team to progress to the semi-finals shall be the next team over all pools with the most points (refer above criteria).
- Time "added on" is NOT applicable, unless FFNC authorises a response to exceptional circumstances (e.g. weather conditions or serious injury).
- Extra time (10 minutes each way) will be played if the scores are level at the end of normal time (plus any time added on).
